CALIFORNIA PUBLIC RECORDS ACT REQUEST

The Los Angeles County District Attorney's Office (LADA) is in receipt of your California Public Records Act (PRA) request dated May 31, 2019, seeking:

"A data set of criminal sentences given in Los Angeles County (all judgments imposed by the court on people that have been found guilty) for the period of time that the data are digitally available, with all related data points that are digitally accessible and legally available."

Pursuant to Government Code section 6253(c), the LADA needs an additional 14 calendar days to complete its search for and review of records. The additional time is necessary to search for, collect and appropriately examine a voluminous amount of separate and distinct records.

The LADA will respond on or before June 26, 2019.

Very truly yours,

JACKIE LACEY
District Attorney
